Source: retained observations from the current authorised assignment. Missing intervals remain unknown. Recorded locations do not confirm attendance, safety, wellbeing or continuous movement. No route or duration is inferred.

Authorised window: 27 Sep 2026, 12:00 am NZST to 27 Sep 2026, 11:04 pm NZDT.

Partial report: the source returned its latest bounded sample set (up to 500 per stream). Earlier observations may be omitted.
